Apprenticeship.

***The purpose of careers education and  
guidance is to encourage you to have  
realistically high aspirations***

Cross Curricular links

In PSHE we learn life skills that can  
relate to every subject and all aspects  
of your life!

## Multiple Intelligence Theory

**Body Smart**-enjoy sport or dance,  
performing, good at building or  
making things

**Word Smart**-enjoy reading, writing  
and talking about things

**Number Smart**-good at maths and  
number activities

**People Smart**-like to mix with  
others and work in a group

**Myself Smart**-Know about  
yourself, how you feel and may  
keep a diary

**Music Smart**-Enjoy music and have  
an awareness of sound and  
rhythm

**Spatial/ Picture Smart**-Good at art  
or design and activities using maps  
or puzzles

**Nature Smart**-You like and enjoy  
learning about animals and plants

Four key skills needed for starting a successful  
business:

1. Seeing Opportunities
2. Effective Planning
3. Thinking Ahead
4. Drive and Determination
