Dear Parents/Carers

I am delighted to announce publication of our special book to commemorate the Life of Queen Elizabeth II as remembered by our St Augustine's Family.

You may recall that following her death last September, we invited every student to ask their own families if anyone had ever met her or had a memory of her, they wished to share.

We were overwhelmed by the response and our team of editors have worked tirelessly to produce this publication. It is a beautiful collection of memories from the wider St Augustine's family, and we hope that you will enjoy reading this.

We have had this book professionally published and are giving a free copy to every family in our College. Your copy will be brought home by the oldest sibling in the school. If further copies are required please email admin@sta.cc to request them, though we may need to ask for a small donation to cover costs.

As we prepare for the celebration of the Coronation this weekend we thought that this gift would be very appropriate for families to have.

Thank you to all who has contributed to this, and we hope that you do enjoy it, and that you enjoy the historical celebrations this weekend.

My best wishes

Aidan Dowle
