

Year 7 Term Two Dickens: Skills and Knowledge

In English, teachers are able to use the same assessment objectives at KS3 and KS4. This allows for careful mapping and consistent marking in line with what we want our students to be able to do by the end of KS4. It is also worth noting that it is often difficult to give an exact 'level' for a student's overall ability, because the skills involved in creative writing, for example, are so different to the ones required for sustained, rigorous analysis – so while a student might excel in one, they might well be weaker in the other. Students are taught the same skills across different texts at KS3, to foster a love of learning and enthusiasm for the subject.

- Read and explore a selection of Dickens' prose (*Oliver Twist, A Christmas Carol, Great Expectations*)
- Explore and analyse how language and structure shape meanings. Revisit and extend key concepts and terminology [indicative content: metaphor, simile, personification, repetition, narrative perspective, whole text structure and order, pathetic fallacy, symbol, vocabulary choice, setting, plot and characterisation]
- Evaluate prose texts by offering views and considering different readings
- Select apt quotations and integrate them into written responses
- Consolidate the 'PEAL' method (Point, Evidence, Analyse, Link)
- Respond to unseen prose extract

Assessment Objectives

<p>English Literature AO1 Read, understand and respond to texts; maintain a critical style and develop an informed personal response; use textual references, including quotations, to support and illustrate interpretations.</p>	<p>Excellent: <i>Thoughtful, developed consideration:</i> Thoughtful, developed response to task and text Apt references integrated into interpretation(s) Secure: <i>Clear understanding</i> Clear, explained response to task and text Effective use of references to support explanation Developing: <i>Explained, structured comments</i> Some explained response to task and text References used to support a range of relevant comments Emergent: <i>Simple, explicit, relevant comments</i></p>
