

### Year 7 Term One Nature Poetry: Skills and Knowledge

*In English, teachers are able to use the same assessment objectives at KS3 and KS4. This allows for careful mapping and consistent marking in line with what we want our students to be able to do by the end of KS4. It is also worth noting that it is often difficult to give an exact 'level' for a student's overall ability, because the skills involved in creative writing, for example, are so different to the ones required for sustained, rigorous analysis – so while a student might excel in one, they might well be weaker in the other. Students are taught the same skills across different texts at KS3, to foster a love of learning and enthusiasm for the subject.*

- Read and explore a selection of poetry [indicative content: 'Dust of Snow' (Frost) , 'Hyena' (Morgan), 'Nettles' (Scannell), 'The Eagle' (Tennyson), 'The Fly' (Blake), haiku, Hughes' animal poems, 'The Sea' (Reeves)]
- Explore and analyse how language and structure shape meanings. Introduce key concepts and terminology [indicative content: metaphor, simile, personification, repetition, rhythm, rhyme, meter, narrative perspective, stanzas, alliteration, whole text structure and order, haiku]
- Evaluate texts by offering views and considering different readings
- Select apt quotations and integrate them into written responses
- Introduce the 'PEAL' method (Point, Evidence, Analyse, Link)
- Respond to unseen poetry
