

Y7 TERM 3: WHAT IS THE KINGDOM OF GOD?

Threshold knowledge	Threshold skill
<p>To know the principles of La Sallian education                      To recognise &amp; describe the kingdom of God as a place of hopes and dreams                      To describe my role in building the Kingdom of God in the light of Jesus' parables</p>	<p>Listening and applying discussion in their own words and an emerging use of technical language:                      e.g. produce a <b>detailed connection</b> between the La Sallian education and how it builds Jesus' Kingdom. A growth in being able to support their views with some description and evidence.</p>
<p>To understand the role of education in the time of St Jean Baptiste De La Salle                      To consider how we can work towards the kingdom                      To explain my role in building the Kingdom of God in the light of Jesus' parables</p>	<p><b>Making connections between sources and explaining things in their own words and through linking sources of wisdom together.</b>  <b>Students can explain how a religion influences a person and/or society</b>                      Knowing the <b>meaning and purpose of phrases</b> such as 'the Kingdom of God' and <b>applying</b> it to everyday and global situations.</p>
<p>To evaluate the history of La Sallian education                      To describe what the 'kingdom of God' means to us.                      To discuss what people need to do today to become a part of God's kingdom.                      To evaluate my own role on building this kingdom on Earth.</p>	<p>Use of evidence becoming more secure and increasing range of opinion.                      Students will engage with scripture studying 3 pieces of scripture: e.g. Place in the Kingdom (Mark 10:35-45)                      Peter misunderstands the Kingdom (Matthew 16:21-26)                      Political Kingdom (Acts 1:6) – what would Christians think of each passage and answer the question 'Who do people say I am?', like St. Peter, with varying responses.</p>
<p>To evaluate the history of La Sallian education                      To analyse the teachings of Jesus to help understand the Kingdom of God.                      To evaluate what people need to do today to become a part of God's kingdom.                      To evaluate my own role on building this kingdom on Earth.</p>	<p>Making judgements at each step and building a picture of history, discipleship, Messiah, and reaching evaluations.                      Use of YouCat to show how one area of life influences another and contrasting with other sources of wisdom.</p>
