Dear Parent/Guardian

A Level Chemistry Practical Endorsement Lab Book

As part of the A Level Chemistry curriculum your son/daughter has to complete essential practical work for their practical endorsement. This work will be examined in their A level examinations. We have obtained lab books which will support pupils in obtaining the key skills required for both the examinations and the practical endorsement.

The Science department requires that your son/daughter purchases this lab book at a cost of £3.50. This will cover all lab work in Year 12 and 13. Please would you complete the slip below and return it with your payment to Reception by Friday 28 September.

Yours sincerely

David Forster
