Dear Parent/Guardian

Geography A Level Support Materials

To support your son/daughter's A Level Geography studies we would like to offer you the opportunity to purchase support material at a discounted price if purchased through the College. In order to be successful at A level, it is important that students review their learning regularly and become independent in ensuring they have understood the work covered in their lessons. To help students with this process, the Geography department is recommending the use of workbooks linked to the exam specification. These provide a mixture of review questions as well as more formal exam -style questions. Students can access the answers online, but the books can also be used be reviewed by their subject teachers to allow appropriate feedback and support to be given. The Year 13 students who sat their A level examinations this summer commented on the fact that they found these very useful. There are four workbooks which cover the full A Level course. These broadly fit into Year 12 and 13 as shown below.

Year 12: Workbook 1 & 2

Year 13: Workbook 3 & 4

Year 12 students will only need the first two books initially, but you are of course welcome to purchase all four of them altogether if you would prefer. Year 13 students may also wish to purchase the first two books as well to use when revising.

If you would like to obtain any of the workbooks for your son/daughter, please fill in the slip on the reverse side of this letter to indicate your preferences and return it, along with the relevant payment by Monday 24 September.

Please contact Mrs Ewings, Head of Geography, if you would like any further information.

Yours sincerely

David Forster
Headmaster

.....
To: Reception (*please return by Monday 24 September*)

Organiser: Mrs J Ewings

Geography A Level Support Materials
