Dear Parent/Guardian

Year 12 Maths Resources

Students taking the new A Level Maths course will need to purchase two textbooks in Year 12 and two more for Year 13. There is also a requirement for students to have a calculator that has more functions than the one used for GCSE.

The attached slip can be used to order the Year 12 textbooks and a calculator. Please complete and return the slip to Reception with your payment by Friday 14 September.

Yours sincerely

David Forster
