Dear Parent/Guardian

AS/A Level Film Studies Textbook

The school has been given the opportunity to purchase WJEC Educas Film Studies for A Level and AS by Cheshire, Ramsey, Stewart and Wardle, which will be needed by all students of A Level Film Studies. It is endorsed by the exam board and covers every aspect of the course in depth, including core study areas, specialist study areas, study skills and production of coursework. The book is available for £28.37 and if students would like to buy a copy at this price to assist with their studies, please fill in the form below and hand it to Reception.

It will be beneficial for students to purchase this text so that they can formulate their own ideas, study the crucial themes independently and practise the skills taught in class. From time to time, we will also use the textbook in class. School copies will be available but students will not be able to annotate these.

If you would like to purchase the book, please send a cheque for £28.37 made payable to 'St Augustine's Catholic College' by **Friday 21 September**.

If you have any queries about the book, please contact Mr Powell.

Yours sincerely

David Forster
