Dear Parent/Guardian

Teachers2Parents

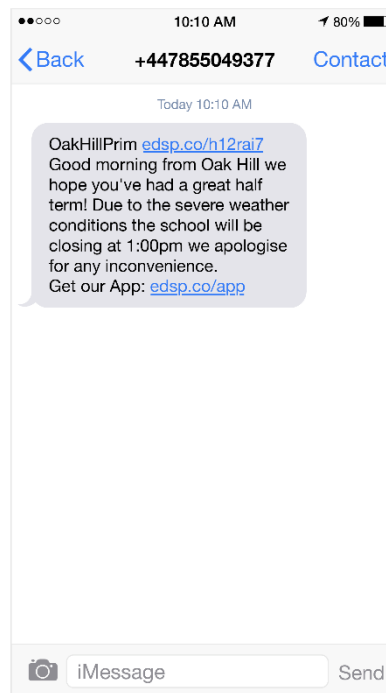

As a school, it is very important that our parents/guardians are informed of updates and changes at school.

From the week commencing Monday 5th March, the text messages you receive from school will appear differently on your phone.

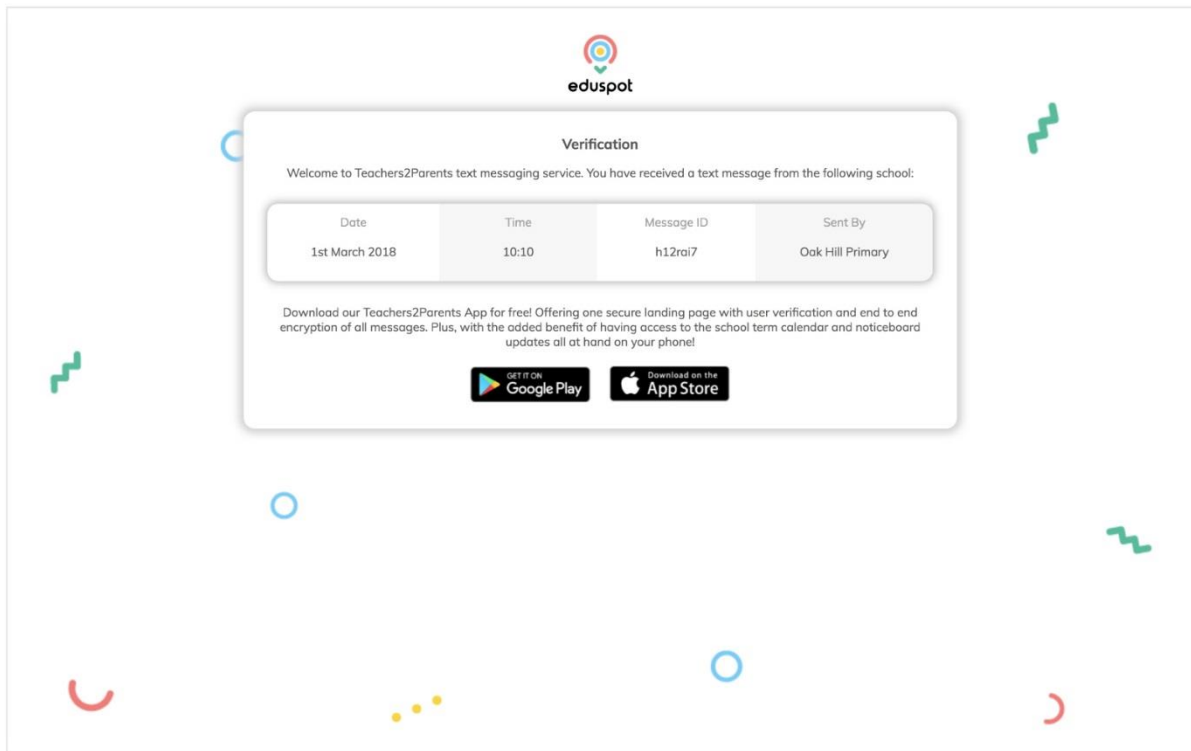

Our service provider, Teachers2Parents, are excited to introduce an additional new security verification measure to allow parents/guardians to check that the messages you receive are from school.

Much like telephone banking, you will continue to receive messages from a secure number with the school message ID now in the body of the message, accompanied with a link at the beginning of the message to click through to a Teachers2Parents verification page; confirming that the sender of the message is genuine.

A typical message will look like this:

When you click to verify the message, you will be taken to the following screen:

To take advantage of the Teachers2Parents app, please search and download 'Teachers2Parents' for **free** on iOS App store and Android smartphone devices.

We hope you agree, as we do, that this added security measure bolsters reassurance that any important communication about your child is safe and you can always be sure that it has been sent by our school.
