Dear Parents

School Production - The Memory of Water – 13 and 14 February

We would like to let you know that tickets are on sale for our upper school production of 'The Memory of Water' by Shelagh Stephenson, to be performed on the evenings of Wednesday 13th and Thursday 14th February at 7pm. The performance promises to be a delightful evening of comedy and a great opportunity to showcase some of our talented young actors from the upper school. Performed by a cast of six, this play has variously been described as "skilfully constructed comedy", "a delicate treatise on human nature", "wise and witty", as well as "poignant and moving".

We follow the story of three sisters in their thirties who gather at the house of their mother, Vi, for her funeral. As the dialogue unfolds it becomes clear that each of the women has quite different memories of their mother and of their shared childhood, and also that Vi has not quite left yet...

Due to the language and themes of the play, we would recommend this play for an audience of Year 10 upwards.

We hope to welcome you to one of the performances. Students can purchase tickets from the Finance Office at break or lunch times. We ask that they bring a cheque or the correct cash in order to do so, as it may not be possible to reserve tickets to collect on the door. Tickets are priced at £7 for adults and £5 for children/concessions.

Ticket enquiries should be addressed to Dr Barnsley, Head of Drama.

We look forward to welcoming you!

Yours sincerely

David Forster
