Dear Parents

During the spring term the Performing Arts students will begin their externally assessed Component 3 assignment work. They will be given their assignment on Wednesday 27 February and they will then have ten Performing Arts lessons to devise a piece of theatre in groups in response to the provided brief. These lessons will be held in low controlled conditions. In addition to the Performing Arts lessons, they will also need to do three 1 hour exam sessions on the computer in high control conditions, and a final performance of their devised work.

I have included the programme of dates below and ask that you ensure that your son/daughter attends all of the sessions, as all of these are part of the final exam submission. Once all this work is complete your son/daughter will have completed their BTEC course.
