Dear Parents/Carers

Year 8 English Sets

As a result of consultation with teachers and students, the English sets will be moving around, commencing on Friday. This might mean that your son/daughter has a different English teacher for the final two terms of the academic year.

This change will not affect what the students are studying, nor the assessments they will be sitting. The groups are equally mixed in terms of ability.

The English department will use the work produced in these two terms as one of the most important indicators in deciding the sets for Year 9; in Year 9, there are two larger top sets, and four smaller mixed ability sets.

If you would like to discuss in further details how and why these changes have been made, please contact your son/daughter's English teacher, or the Head of English, Mr Kenrick.

Yours sincerely

David Forster
