Dear Parent/Guardian

From September 2019, selected GCSE Business students will be working with an exciting new tool to increase student engagement with opportunities for 'Stretch & Challenge'. Flipgrid is the leading video discussion platform used by tens of millions of Primary to PhD educators, students, and families in more than 180 countries. Flipgrid allows us to spark a classroom discussion by providing a platform for your child to share short video responses based on questions posed by the teacher. This will help create an inclusive dialogue and engage with them in a fun and meaningful way.

We think Flipgrid will be a wonderful addition to the class, so we are asking for your permission for your child to use Flipgrid.

In order to use Flipgrid, some personal information about your child may be collected, but this information will be protected as Flipgrid describes in their Privacy Policy and Terms of Use (<https://legal.flipgrid.com/>). Please read these policies carefully, let Mr Ryan know if you have any questions, and then sign below to indicate that you've read this and allow your child to participate.

If you don't agree to provide consent for your child to participate, please do not allow your child to use the Flipgrid code that Mr Ryan will distribute to students who have been selected for this programme.

Yours sincerely

David Forster
