Dear Parent/Guardian

## Geography GCSE Support Materials

Your son/daughter will be starting their GCSE Geography course in September and we would like to offer you the opportunity to purchase support material at a discounted price if purchased through the College. The Geography department will be following the Edexcel B (9-1) 2016 specification and there is a range of revision material linked with the syllabus and the textbook we will be using in class. The department feels that having revision guides throughout the course can be beneficial, as it gives students the chance to able to review and practise work done in lessons, and also helps them develop good revision habits for the more formal tests which will come at the end of each topic. There are several revision guides available, but the department feels this is the most comprehensive one for the course.

There is also a workbook available, which we have found very useful for setting homework as it allows each section of the course to be reviewed in conjunction with the revision guide at regular intervals. The department would therefore also like to encourage students to have a copy of this workbook. Through our supplier (CGP) we can provide the revision guide and workbook, for a total of £6.50 (RRP £11.90).

We would also like to let you know that the department will be providing students with access to an online version of the textbook they will be using in class. We hope this will help support students who may wish to review work done in lessons or to help if a lesson has been missed. Being able to access the textbook from home has also been helpful for students when completing homework tasks. Students will receive a login in due course.

If you would like to purchase the workbook, please arrange for payment to be made using our preferred payment method of ParentMail by Tuesday 10 September 2019. Alternatively, payment can be made by cash or cheque with the completed order form. If you choose to pay by cash or cheque, please make cheques payable to 'St Augustine's Catholic College' and fill in the slip on the reverse of this letter. We regret that we will be unable to take orders after **10 September 2019**.

Please contact Mrs Ewings, Head of Geography, if you would like any further information.

Yours sincerely

**David Forster**  
Headmaster
