27 September 2019

Dear Parent/Guardian

A Level Physics Practical Endorsement Lab Book

As part of the A Level Physics curriculum your son/daughter has to complete essential practical work for their practical endorsement. This work will be examined in their A level examinations. We have obtained lab books which will support pupils in acquiring the key skills needed for both the examinations and the practical endorsement.

The Science Department requires that your son/daughter purchases this lab book at a cost of £2.50. This will cover all lab work in Year 12 and 13. Please arrange for payment to be made using our preferred payment method of ParentMail. Alternatively, payment can be made by cash or cheque by completing the slip below and sending it with your payment to the Finance Office by Friday 4 October.

Yours sincerely

David Forster
