11 October 2019

Dear Parent/Guardian

GCSE Science Revision Guides

The College has an opportunity to place a direct order with CGP for GCSE Science revision books. These books are not compulsory, but the Science department highly recommends that your son/daughter purchases the guides to enable them to maximise their potential, as they cover all elements taught in Years 9 to 11. A 50% saving against the RRP is offered when the guides are ordered directly through school.

If you wish to purchase CGP revision guides, please arrange for payment to be made using our preferred payment method of ParentMail. Alternatively, payment can be made by cash or cheque by completing the slip on the reverse side of this letter and sending it with your payment to the Finance Office by Tuesday 22 October.

Please only purchase Triple Science books if your child selected this as an option.

Yours sincerely

David Forster
