14 March 2019

Dear Parent/Guardian

Year 12 Chemistry Enrichment Day

The Science Department would like to take Year 12 A-Level Chemistry students to the University of Bath for a Chemistry enrichment day, the details of which are shown below.

Destination: University of Bath Campus
Date of trip: Wednesday, 22 May 2019
Departure time: 09:00 from St Augustine's Catholic College
Arrival time: 15:30 at St Augustine's Catholic College
Cost: £8.00

During the trip, students will work in the undergraduate laboratories to synthesise an organic compound that they will then purify and characterise using state-of-the-art equipment such as NMR and IR spectroscopy. The day will also include a UCAS application lecture and a tour of some of the research laboratories.

Students will need to bring a packed lunch for the day. Students may wear their own clothes but St Augustine's expected standards of attire apply.

A voluntary contribution of £8.00 is requested to cover transportation. If you would like your son/daughter to take part in this trip, please arrange for a payment of £8.00 to be made using our preferred payment method of ParentMail. Parents who pay by this method do not need to return a permission slip as your electronic payment implies consent. However, if your contact details for the trip differ from those we hold on our database, please let us know on the consent slip in the normal way. Alternatively payment can be made by cheque or cash and returned to the school together with the consent slip. Please note that if insufficient payments are received, it may not be possible for the trip to go ahead. All payments are to reach us by Friday 17 May 2019.

PTO

A copy of your son's/daughter's medical form will be carried by the Trip Organiser on the trip. May I take this opportunity to remind you to inform the College of any changes to your son's/daughter's medical information, including contact with infectious diseases within the 7 days prior to departure, by completing a blank medical form which can be found on our website at www.st-augustines.wilts.sch.uk under 'Key Information' then 'College Documents'.

If you have any queries about the event, please do not hesitate to contact the Trip Organiser, Dr Buchard.

Yours sincerely

David Forster
Headmaster
